and against her better judgment, Bailey becomes infatuated with him, forgetting her tepid relationship with her boyfriend. Bailey learns that one of Anna's clients died of heart failure after she worked on him. Then the spa owner's second husband, who was clandestinely pursuing Anna, becomes suspect number one. But Anna's past also provides numerous suspects. Was she killed by a client who'd been rebuffed? Or by a male therapist who she'd apparently spurned? Or the son of the heart attack victim who blames the spa for this father's death? Or by someone from her deeper past? Bailey keeps digging, getting closer to the truth. Then there's a second horrifying murder at the inn, and it's clear that Bailey's life is in danger. Nothing prepares her for the answer she finds as she finally discovers who the murderer is.
