Book five of the Torn Series, but this novel can be read as a standalone New York Times & USA Today Best Selling Series! Mistakes—my life has been full of them. Time and time again, I've tried to change, tried to make the right choices, but it doesn't matter. I always screw up. I hoped that Adam would be different, that he wouldn't be a mistake. Our relationship was supposed to be about sex and nothing more. Fun, easy, simple—that was what we wanted. But things are never simple, not for me. Adam changed me. He made me the person I am today. I hate who I am and what I've become. I'm not proud of the things I've done. I thought my greatest mistake would be falling in love with him. I was wrong. My greatest mistake is much, much worse. I've lost control. I have a secret I can't hide. It's going to destroy everything. My name is Amber, and this is my story.

For fans of Colleen Hoover and Sylvia Day, a passionately intense love story about two people with battered souls who are thrust together unexpectedly, leaving a profound impact on each other 's lives. The first book in the Torn Series. Chloe hasn 't had the easiest childhood. With a mother who was absent most of the time, she practically had to raise herself. Determined to start a new life and leave her demons behind, she heads to West Virginia University with her best friends Amber and Logan. On the first day of classes, she spots a student who takes her breath away. Drake is a pierced, tattooed bad boy, and no matter how hard she tries to fight it, he 's all she can think about. Drake has never cared about anyone other than himself, but when Chloe grabs the empty seat next to him in class, he is instantly drawn to her. Drake is left wondering whether this girl can take his cold, womanizing heart and alter him forever. Developing feelings for each other was never a part of their plan, and when it happens, things do anything but fall into place. Long-hidden emotions are revealed and friendships are tested to the brink as Chloe and Drake become helplessly entwined in each other 's love.

As data transfer rates increase within the magnetic recording industry, improvements in device performance and reliability crucially depend on the thorough understanding of nonlinear magnetization dynamics at a sub-nanoscale level. This book offers a modern, stimulating approach to the subject of nonlinear magnetization dynamics by discussing important aspects such as the Landau-Lifshitz-Gilbert (LLG) equation, analytical solutions, and the connection between the general topological and structural aspects of dynamics. An advanced reference for the study and understanding of nonlinear magnetization dynamics, it addresses situations such as the understanding of spin dynamics in short time scales and device performance and reliability in magnetic recording. Topics covered include nonlinear magnetization dynamics and the Landau-Lifshitz-Gilbert equation, nonlinear dynamical systems, spin waves, ferromagnetic resonance and pulsed magnetization switching. The book explains how to derive exact analytical solutions for the complete nonlinear problem and emphasises the connection between the general topological and structural aspects of nonlinear magnetization dynamics and the discretization schemes better suited to its numerical study. It is an exceptional research tool providing an advanced understanding of the study of magnetization dynamics in situations of fundamental and technological interest.

San Francisco, 1969. The summer of drugs, music and a new age dawning. A young, earnest Ajax Penumbra has been given his first assignment as a Junior Acquisitions Officer - to find the single surviving copy of the *Techné Tycheon*, a mysterious volume that has brought and lost great fortune for anyone who has owned it. After a few weeks of rigorous hunting, Penumbra feels no closer to his goal than when he started. But late one night, after another day of dispiriting dead ends, he stumbles upon a 24-hour bookstore and the possibilities before him expand exponentially. With the help of his friend's homemade computer, an ancient map, a sunken ship and the vast shelves of the 24-hour bookstore, Ajax Penumbra might just find what he's seeking...

Delilah Gregory is an opera superstar, enchanting the world with her soaring voice and voluptuous form. When her long-time friend, Declan, asks her to perform at his wedding, she can't refuse, and heads to Mullardoch Manor in Scotland. She's looking forward to finding a Dom to play with while she's there, although with the demands of her career, and still recovering from her ex's betrayal, the last thing on earth she's looking for is an actual relationship. Bastian Dean is a rock star, playing to sold-out stadiums worldwide. His bedroom tastes have always been on the wild side, and the only way he can find satisfaction is when he has a bound submissive begging for his touch. Unlike most rock stars, he keeps his dalliances to bona fide members of the Dungeon Fantasy Club - and as far away from the tabloids as possible. When he meets the ethereal beauty Delilah at the manor, Bastian is determined to enjoy the beautiful, submissive woman's bounty. Delilah is stunned by the ecstasy she finds within Bastian's arms. She doesn't even like the man much - aside from what he can make her feel even as he disciplines her bare bottom. But despite her misgivings about him, what starts out as a bit of fun and play in the dungeon soon turns into a relationship, where Delilah finds herself healing under Bastian's passionate touch. When the demands of her career and a threat from her past intervene, Bastian must use every note in his arsenal to convince Delilah that theirs is a duet worth singing. But can she be convinced to trust him with her heart?
