In The Pot and How to Use It, Roger Ebert—Pulitzer Prize-winning film critic, admitted “competent cook,” and long-time electric rice cooker enthusiast—gives readers a charming, practical guide to this handy and often-overlooked kitchen appliance. While The Pot and How to Use It contains numerous and surprisingly varied recipes for electric rice cookers, it is much more than a cookbook. Originating from a blog entry on Roger’s popular Web site, the book also includes readers’ comments and recipes alongside Roger’s own discerning insights and observations on why and how we cook. With an introduction by vegetarian cookbook author Anna Thomas and expert assistance from recipe consultant and nutritionist Yvonne Nienstadt, The Pot and How to Use It is perfect for fans of Roger’s superb writing, as well as anyone looking to incorporate the convenience and versatility of electric rice cookers into his or her kitchen repertoire.

“Guides readers toward the road less consumptive, offering practical advice and moral support while making a convincing case that individual actions . . . do matter.” —Elizabeth Royte, author, Garbage Land and Bottlemania Like many people, Beth Terry didn’t think an individual could have much impact on the environment. But while laid up after surgery, she read an article about the staggering amount of plastic polluting the oceans, and decided then and there to kick her plastic habit. In Plastic-Free, she shows you how you can too, providing personal anecdotes, stats about the environmental and health problems related to plastic, and individual solutions and tips on how to limit your plastic footprint. Presenting both beginner and advanced steps, Terry includes handy checklists and tables for easy reference, ways to get involved in larger community actions, and profiles of individuals—Plastic-Free Heroes—who have gone beyond personal solutions to create change on a larger scale. Fully updated for the paperback edition, Plastic-Free also includes sections on letting go of eco-guilt, strategies for coping with overwhelming problems, and ways to relate to other people who aren’t as far along on the plastic-free path. Both a practical guide and the story of a personal journey from helplessness to empowerment, Plastic-Free is a must-read for those concerned about the ongoing health and happiness of themselves, their children, and the planet.

The debut cookbook by the creator of the wildly popular blog Damn Delicious proves that quick and easy doesn't have to mean boring.Blogger Chungah Rhee has attracted millions of devoted fans with recipes that are undeniable 'keepers'-each one so simple, so easy, and so flavor-packed, that you reach for them busy night after busy night. In Damn Delicious, she shares exclusive new recipes as well as her most beloved dishes, all designed to bring fun and excitement into everyday cooking. The debut cookbook from the Saveur blog award-winning Internet expert on making eating cheap dependably delicious As a college grad during the recent great recession, Beth Moncel found herself, like so many others, broke. Unwilling to sacrifice eating healthy and well—and armed with a degree in nutritional science—Beth began tracking her costs with obsessive precision, and soon cut her grocery bill in half. Eager to share her tips and recipes, she launched her blog, Budget Bytes. Soon the blog received millions of readers clamoring for more. Beth’s eagerly awaited cookbook proves cutting back on cost does not mean cutting back on taste. Budget Bytes has more than 100 simple, healthy, and delicious recipes, including Greek Steak Tacos, Coconut Chicken Curry, Chorizo Sweet Potato Enchilada, and Teriyaki Salmon with Sriracha Mayonnaise, to name a few. It also contains expert principles for saving in the kitchen—including how to combine inexpensive ingredients with expensive to ensure that you can still have that steak you’re craving, and information to help anyone get acquainted with his or her kitchen and get maximum use out of the freezer. Whether you’re urban or rural, vegan or paleo, Budget Bytes is guaranteed to delight both the palate and the pocketbook.

To do what no other magazine does: Deliver simple, delicious food, plus expert health and lifestyle information, that’s exclusively vegetarian but wrapped in a fresh, stylish mainstream package that’s inviting to all. Because while vegetarians are a great, vital, passionate niche, their healthy way of eating and the earth-friendly values it inspires appeals to an increasingly large group of Americans. VT’s goal: To embrace both.

Create great, low-sodium meals in a jiffy while still enjoying all the foods and flavors you love with 500 15-Minute Low-Sodium Recipes! In these pages, you'll be treated to dishes so delightful you'd never guess they're low in salt and quick to prepare. Packed with 500 recipes to choose from, you'll find everything from beef, chicken, and vegetables dishes to international takeout-style recipes, desserts, and more. And with 15 minutes or less prep time on every recipe, staying on track is as easy as pie! You'll also find a nutritional breakdown on every recipe, making it easier than ever to track your daily sodium intake. Cutting sodium doesn't mean cutting flavor or variety, or spending hours in the kitchen on complicated recipes. Make staying on course easy—and delicious!—with 500 15-Minute Low-Sodium Recipes.
