Bronze Winner for the 2017 Independent Publisher Book Awards in the category of Gay/Lesbian/Bi/Trans Non-Fiction Foregrounding the voices of transgender and non-binary people, this honest and insightful book is a compilation of the voices of those who have decided to undergo transition - both male-to-female and female-to-male. Drawing on over one hundred interviews with individuals, the book details the diverse experiences and challenges faced by those who transition, exploring a range of topics such as hormone treatments; reassignment surgeries; coming out; sex and sexuality; physical, emotional and mental health; transphobia; discrimination; and hate crime, as well as highlighting the lives of non-binary individuals and those who cross-dress to form a wider understanding of the varied ways in which people experience gender. This powerful book is an ideal introduction to those keen to understand more about contemporary trans issues as well as those questioning their own gender identity.
